Today, Apple released an updated version of the application, which will allow you to encrypt your Messages and Apple Books, in addition to all of the other data stored on your devices. Apple Safe Folders is a product that can be purchased for \$24.95 with a 10 percent discount for new Apple users, and in addition to the prices stated above, it's also available as a one-year subscription for \$12.95 with a 10 percent discount. It works by locking down your data into a separate encrypted storage space on your Mac. You can access the free version with the 14-day free trial, or if you subscribe to Safe Folders, you get even more space, the ability to encrypt as many folders as you like, and more. The version of Safe Folders that
